ROUNDS FAMILY CEMETERY

Located left off Yankeetown Road on the old Liming farm, N.W. of Hamersville. Found back in a field and heavily overgrown with tall grass, copied July 7, 1976 by Linda Wilson.

The following article was printed the NEWS DEMOCRAT, May 18, 1964.

Land Paid for War Service

Graves Date to Revolution

HAMERSVILLE: In a little private cemetery on the O. E. Liming farm at Hamersville may be found the grave of his seven times great-grandfather.

As near as he can figure, this land once was a part of a land grant of 410 acres deeded to James Rounds for his services in the Revolutionary War.

The old stone marking his grave has remained in a remarkable good state of preservation. The inscription reads: James Rounds, Ohio Pvt., Finney's Mass. Regiment. Rev. War. Died Jan. 3, 1843. Age 83 years. Received 410 acres here for his services.

NEXT TO IT IS ANOTHER STONE, set there by an historical society dedicated to preserving old cemeteries, placed there some 8 to 10 years ago. The second stone is lettered by hand and gave same date of birth, showed age as 84 years, 5 months and 8 days, and said he fought with George Washington at Valley Forge.

James Rounds' two wives are buried there also. The first, Rachel, died in 1815, age 55 years. The second, Mary, died Nov. 1, 1845, age 53 years. The stones are all set in concrete and show a reasonably good state of condition for their ages.

Few people know of this historical old cemetery, but those who do have expressed keen interest in it. Only recently while following his beagle hounds. Charles Hawkins came across it and decided to try to decipher the old letterings. He had many times passed by in the 10 years he has lived on his Yankeetown road property without further thought of reading the old tombstones.

The passage of time had rather well filled up the lettering spaces, but Hawkins wanted to read all of the words, so he sent his two sons to scrub off the old stones. He then came with paper and pencil to copy the inscriptions.

Less than a dozen graves are on the plot. Other names deciphered were Michael and Sarah T. Kennedy, John Leonard and wife, and an infant Walker.

LuAnn Henize, 4, daughter of Mr. and Mrs. James D. Henize and granddaughter of Mr. and Mrs. O. E. Liming, all of Hamersville, stands by the stone of Revolutionary War ancestor, James Rounds, on a plot on her grandfather's farm.

BINGAMON FAMILY CEMETERY

This family cemetery is located on a private farm, just off of Bardwell-Buford Road. After passing the Klein Road, the first driveway to the left. This was once known as the George Bingamon farm and supposedly, the Bingamon family burial ground. However, no stones were standing to prove this.

In order to go to the cemetery, one should contact Mr. Richard Shafer, 513-444-3896, or address-5074 Bardwel Buford Rd., Mt. Orab, Oh. 45154.

On the day of October 14, 1993, Mr. Shafer accompanied Dorothy and Walter Helton to the cemetery. He, Shafer had been there three years ago and almost was unable to find it again, due to so much fallen trees and undergrowth. We did find one stone. A small square stone, about 12 inches with the following names.

✓**WATTERS**

✓Elias, d. Sept 16, 1832

✓Elizabeth, his wife, d. Sept 16, 1832 (nee Robbins)

No other stone, only a large rock that could have been a base for a large stone. Mr. Shafer said when he was there three years ago, there was three stones and the lady with him was searching the Bingamon family.

There certainly is a mystery around the Watters family. What records that can be found are from the census. In 1830, Elias Waters(one "t") was in Perry Township. Green Township was not formed then, however the township was formed from Sterling. The family no doubt moved to this location between 1830 and 1832.

Marriage records reveal Elias married Elizabeth Robbins 21 Aug 1822, Book B page 116 (BROWN COUNTY OHIO MARRIAGE RECORDS 1818-1850) by Patricia Donaldson. Checking back to 1830 census in Perry Twp. a Hiram Robbins lived close by the Elias Waters family.

IN 1840, none of the family is listed. The couple left according to the 1830 census,1 male under 5; 1 male under 10; and one male 20-30(Elias); 1 female under 5; 1 female 10-15; 1 female 20-30 Elizabeth.) These children would have been at least one under 10 and one under 20 with sisters under 10 and one under 20 in 1840. We are hoping that someone will report to us further information on this family and what happened to the parents for both to die on the same day, and what happened to the children.

Benton Cemetery is being restored

It is believed that a Civil War Veteran is buried in the little cemetery which we called Star Lake Cemetery a few weeks ago in our story of the township trustees cleanup of the property.

We found the name on one of the maps in the Tax Map office in Georgetown, but since have been told that the cemetery should have been called the Benton Cemetery since it was there long before the Star Lake attraction.

The Green Township Trustees have about finished their clean-up of the interesting old cemetery. They were helped by Jim Smith and others who did the work. At present, there is no public access to the cemetery; there is no opening made in the fence line off Rt. 68. The cemetery lies very near the Appalachian access road. Trustee Earl Williams said the trustees planned to have a gate off Rt. 68 put in as soon as possible, so that others may visit the cemetery.

The veteran buried there has a stone marking the grave, but no dates on the stone. The stone reads G.W. Connover, Company B, 175th Ohio Infantry. Other names on stones that we could read (there are some unreadable) were Kratzer, Smith, Weeks, Jennings, Adams, Lenorah, Walker, Thomas, Murray, Bratten, Day, Watson and Ross.

Many people have mentioned the old cemetery and are interested in it, and we have had much help from Beryl Hodgson of North High Street who got some information from his little Brown County History Book, plus what memories he has.

Beryl says he remembers the older folks talking about Benton or Hamet when he was a young man. Hamet means a "small place." Benton was the name of the small town just 1/2 mile north of Mt. Orab. It was the oldest town in Green Township and was laid out on January 26th, 1838 by B.H. Gardner.

Beryl said the first log school house was built in Benton in 1840 and the first school teacher was Thomas Ross. The cemetery probably was laid out around 1840 or 1842.

In 1883 there were eight school houses in the northern part of Green Township, with many buildings valued at $3,000. Total enrollment was 456. School terms ran 27 weeks and the monthly wages of the teachers was from $24 to $33.

Beryl said that back in 1842 there was a Methodist Church built, but later there were arguments and someone arsoned the church. There was also a bank in 1843 and a post office in 1844 a grocery store in 1845 and Sa Weeks built the store. Peopl mentioned in the history were D Lee Day, farmer, stock raising; F Bratten, farmer, stock raising specialty, resident in 1845; i 1883 Benjamin Gardner erecte and operated a saw mill and gris mill with steam power. There wa a small lake built in those days.

Others mentioned in th history were J.W. Kratzer farmer; Alva Moon, farmer; J.C Glover, farmer and teacher; W.L Beam, farmer; J. Baldwin farmer. Other names mentione in connection with Benton ar Enos, Henry, Samual Benjamin Simon James, daughters Ros Hannah and Dolly; Henry Dennis was the first merchant and James McClure was another of the early merchants.

Henry Varley and Charles Zeller were the first village smiths; A.J. Brooks, photographer, James Collins, machinist; other Days were farmers, S.A. Day, G.W. Day and H.W. Day.

Earhart & Bros. A.C., were proprietors of sawmill. James Hughes was a farmer and G.C. Hill a minister. George Minick was a farmer and John R. Lancaster was a teacher. Michael Stroup was an M.D. physician and John Wallace was a farmer who made sorghum molasses.

It is my will that I shall be buried in the
Ross Cemetery, South of my brother Franks grave.
My grave to be walled up with good Substantial
brick, and well cemented: to be done by a good
workman, Said work to be done in a good,
workmanlike manner: and to prevent my grave
from being disturbed, or robbed, I desire that
two dynamite Shells be placed in the arch of
my grave: to be placed there by Dr S.B.Shelton;
My reasons for that is, that I have a horror
of being dissected: and I desire the fact of those
Shells being placed there, to be known immediately
thereafter, as I specially desire that no body
may get hurt in the act of desecrating my
grave. Consequently it is my will that no person

BEECH GROVE, BEECHWOODS, OR SELLMAN CEMETERY

This cemetery is located on private grounds in Jackson Township, Brown County. The site is three-eighths of a mile southwest of McNoun Road from a right-angle turn in that road one and three-fourths miles north-northwest from its intersection with the Winchester-Russellville Road. There is only a rough track through the fields to the site.

Adam Sellman, a native of Maryland, came from Brooke County, West Virginia in 1806 and settled on a rectangular shaped tract of 126 1/2 acres located in the northwest corner of Thomas Fox's Virginia Military Survey No. 700. The cemetery is at the extreme southwestern corner of this tract.

The cemetery was originally a family cemetery, but in 1825 a church was built on the grounds, and the cemetery became a neighborhood burying ground. According to the Atlas of Brown County, published in 1876, the church, built of logs, was the first erected in Jackson Township.

In a letter dated June 3, 1922, and directed to S. Perry Johnson, a great-grandson of Adam Sellman, Emmons E. Stivers, a co-author (with N.E. Evans) of the History of Adams County, Ohio, makes the following statement:

"I saw perhpas 35 years ago a number of old grave stones in a piece of woodland near Ash Ridge, on which the names of many Sellman were recorded - so many it impressed my memory. In early days I was told a log meeting house stood there. It was on the Aid farm, and I remember the Aid family lot was surrounded by a rude picket fence. The whole grounds were overgrown with beech trees - some of immense size."

Another letter, written by Jessie T. Wirick, Deputy Clerk, Court of Common Pleas, Brown County, Ohio, dated August 28, 1911, and directed to Mrs. Ralph Sellman, Bloomington, Illinois, contains the following information concerning the cemetery:

"The Sellman family is buried over at Beech Woods Grove in Jackson Township and the dates of their births and deaths are on the gravestones in the Beechwoods Cemetery on the farm of Milton Day; his address is Winchester, Oh.

Unfortunately, all but two of the stones referred to above are either destroyed(possibly by loggers) or covered over. These two remain:

Diana Sellman, died July 23, 1830, aged 5 months and 12 days. (Note: She was a daughter of John and Hannah (Reynolds) Sellman, who were married in Brown County, July 2, 1820. John Sellman, a son of Adam and Mary Maffett Sellman, served in Captain Abraham Shepherd's Company from Adams and Brown Counties in the war of 1812: Hannah Reynolds Sellman was a daughter of Henry and Esther(Rose)Reynolds.

Jacob Aid, died August 10, 1853, aged 63 years. (Note: Jacob Aid was a soldier in the War of 1812; he served as a private in Captain James Wallace's Company. His stone is lying on the ground and is broken into several pieces.

Others known to be buried in the cemetery, with dates from Bible records,

Adam Sellman born February 18, 1767; died February 24, 1836

Mary (Maffett) Sellman, wife of Adam Sellman born November 1, 1771 died September 15, 1825.

Adam Sellman (Jr.) born August 8,1803; died young.

Martin and Martha Sellman, twin infants of John and Hannah Sellman born October 15, 1842; died August 22, 1845, and "were buried in one coffin."

William Sellman, infant son of John and Hannah Sellman born March 12, 1840; died July 28, 1840.

America (Reynolds) Sellman, wife of David G. Sellman born October 6, 1813; died 1836. (Note: She was a daughter of Joseph Jr. and Jane (Abbott) Reynolds.)

This information was given the Brown Co. Genealogical Society by our member W. Marshall Sellman of Cincinnati, Ohio

BEECHWOODS CEMETERY information obtained from Lawrence Downing(now deceased). Mr. Downing wrote the following description in 1960.

"Jackson Township Ghost Town", was the title that Mr. Downing had given this area. In the year 1912 my father, William Downing bought a farm in Jefferson Township, a small portion of which was located in Jackson Township.

This farm was familiarly known as the "Old Rhodes Farm." But at the time was owned by the late Samuel Pickrell. It was located on the headwaters of Eagle Creek being about 2 1/2 or 3 miles east of Russellville and near the McNoun property or road.

We would occasionally observe in a certain spot in that portion of land being in and bordering Jackson Township indications of what might be considered relics of a previous habitation; pieces of chinaware, crockery, buttons and occasionally an old pewter spoon and fragments of other household items. Then too, farther up the branch and on the land of Milt Day could be seen faint signs of other homes. Fragments of old stone foundations remains of cellars, and other stone work spelling out the previous existance of a small community or pioneer village. We asked many questions of old timers, but received no satisfactory answers, neither did anyone seem to know of anything of what appeared to be the remains of the pillars of a church, long since forgotten, surrounded by many grave markers, most of which were of rough field stones and many others with names and inscriptions easily read, a few years ago, but today only two in a very poor state of preservation remaining. All this embraced in a woodland of mighty oaks, beech and other vegetation closing in on the last remains vestiges of a once happy pioneer community. But after a period of some 50 ye ars acquaintance with this section, I have been able to piece together alot of facts gathered from many sources and after assemblying these fragments together, I have been able to fabricate this following story:

Most of the early settlers of Jackson Township were from Virginia, but among those of the first to come, was a Mr. Joseph Reynolds, an eastern man, usually referred to in the section where he lived as a "Yankee", and consequent the little community to which we refer to above was known as the Yankee Settlement" or Yankee Town. In 1825 a log church was built, near by to serve this community and this was the first church built in the township. We do not know, however, the name of the church. This we hope to learn about in our Future research.

OTHER BURIALS AND INFORMATION FURNISHED BY Eva Davis

The following persons are known to be buried in this cemetery:

Pickerill, Samuel b 8 Jan 1793 and d 4 July 1849
Pickerill, Mary Jane DRAKE wife of Samuel died June 1831
Pickerill, Thomas son of Samuel and Mary Jane b 24 Oct 1828 d 1847

OTHERS PERSONS WHO MAY BE BURIED IN THIS CEMETERY ARE

Hart, Jonathan, husb of Johanna Pickerill Hart, sister of Samuel Pickerill. Hart's lived near the cemetery in Jackson Twp.

Fisher, Julia Hart, wife of Jacob Fisher and dau of Jonathan & Johanna Pickerill Hart. They lived near the cemetery.

Simeral. Gitty N. Pickerill wife of Allen Simeral and dau of Samuel and Mary Jane Pickerill b 20 Apr 1811 d ca June 1826

Simeral, Allen, husb of Gitty N. Pickerill died late May 1836

Pickerill, Hannah STALLCUP, second wife of Samuel. We do not know when or where she died. She was living in 1852, per court records.

BEECHWOOD CEMETERY INFORMATION continued

Smith, Carolyn, dau of Martha Pickerill and John Smith. Martha was a dau of Samuel and Hannah. Carolyn was 6 mos old in the 1850 Federal census. She did not move to Iowa in 1853 with her family. Cholera epidemics were occurring when she was an infant. The family in Iowa wondered who was the fifth child spoken of in the Obit of John Smith, her father.

Pickerill, Riley, son of Samuel and Mary Jane, who died before the 1850 Federal census was taken, may be buried here. He probably died in Clermont Co., O., where he was married in 1844 to Sarah Hill. His wife and two sons, Carey and William, were living with John Hill and wife in 1850, but Riley was not shown with the family. Samuel's estate administration papers show that Riley is deceased by 1850 and Carey & William are his heirs. No burial or death record has been found in Clermont Co.

This Samuel Pickerill is the son of the Rev War soldier, Samuel Pickerill, Jr. who settled in Byrd Twp. in 1811. His son Samuel settled in Jackson Twp. and Jefferson Twp. Samuel owned the land where the cemetery is located, probably at the time that his wife Mary Jane died. Clarence Pickerill told his family and a neighbor that our family was buried in the Beech Grove Cemetery and at one time had grave markers. There are two stones only in the cemetery now. One if for Jacob Aid, leaning against a tree and broken in two pieces. One for a Sellman child.

This information was given by Eva Davis our Society member spring of 1989.

PLEASANT HILL CEMETERY

This cemetery is located about a fourth of a mile pass the Campbell Branch Road which leads off the Winchester-Russellville Road. The road to the cemetery has been closed and the only entrance is climbing up at hillside, which is kept mowed. The entrance up the hill is just before you cross a branch or bridge. A house sets close to the cemetery upon a hill and this is on the left side of the road. There isn't anymore burials or hasn't been any since the Rickeys were buried. The Pleasant Hill Church no longer stands below the cemetery just across the branch and bridge. The Cemetery is kept clean and mowed.

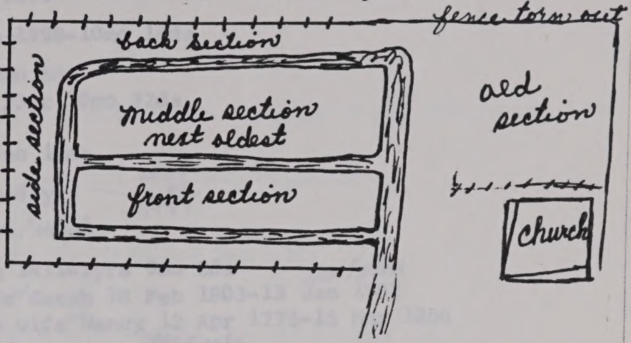
ASH RIDGE CHRISTIAN UNION CHURCH AND CEMETERY

The first church was built of logs in 1824 on land purchased from Samuel Evans. The church now standing was built around 1883.

The cemetery is behind and beside the church. The older part being directly behind the church. The roads in the cemetery divides it into five sections, such as shown in diagram. Sections are numbered for easy location of graves.



OLD SECTION, this section has been printed in Vol. 1 of TOMBSTONE INSCRIPTIONS OF BROWN COUNTY by Colletta/Puckett, 1963. The following inscriptions were copied in April 1959 by Marie and Thomas Knott and given to our Society for printing. When visited in July 1989 by Dorothy Helton, many stones are unreadable and some are gone. However, the section is kept clean and mowed.

GARDNER CEMETERY: This is a family cemetery located on a bluff on the west side of route #62, south of Ray Prickett's Implement Company, on land originally owned by Ray's father-in-law Robert Richey. The cemetery is surrounded by trees and underbrush and no longer visible from the highway. There is one tall, good quality monument, enclosed by an iron fence, both intact. Outside the iron fence are two vault type monuments, approx. 3'X6'. These structures were originally well constructed and inscribed, but are now falling apart. Copied June 24, 1988 by Eva Davis.

LINWOOD CEMETERY

In the earliest years of Brown County history a pioneer custom, brought from the Eastern states, dictated the burying of early settlers in small, almost private, family burial plots. Those were for the most part on land on which the families had originally located and were often used by several inter-related groups. They usually took the name of the first family to establish such a burial ground. Among the oldest of those in Jefferson Township - and in Byrd Township from which Jefferson was partially formed - were the Eckman, West or Evans, Baird, Woods, Drake and Glaze family graveyards. There were also incidents of the burial of a man, or a man and wife, in isolated graves on their own farms with possibly no additional graves afterwards located beside theirs. Naturally in the course of time many of those have become totally obliterated and lost.

As more settlers arrived and churches were organized a quiet graveyard was laid out adjacent to or near those early places of worship. Among the earliest of those planned graveyards were the ones at Old Brick Red Oak, Stone Red Oak, Liberty Chapel and the Associated Reformed Church within Russellville, the latter one being established in 1831. Russellville had another early cemetry, now totally destroyed and almost entirely forgotten, located beside the old Presbyterian Church in the South end of the village and on property now owned by the Church of Christ (Disciple) congregation. As late as sixty years ago that could still be identified as a small plot of ground overgrown with myrtle and with a few field stone markers yet remaining upright. All traces of it are now gone, the names of its occupants long since lost, and only a few persons admittedly retain any memories of it. The first cemetry serving Russellville other than those family or church graveyards was the Shaw Cemetry, or Old Russellville Cemetry, established on land belonging to the town's founder and near the Northwest boundary of the village. That graveyard is not so ancient as sometimes is thought. Of all the marked graves in it today less than twenty predate the year 1850 and the earliest is of a burial in 1830.

By the time of the Civil War the need for a new and adequate cemetry for the community had become evident. But another twenty years would pass before it would become a reality. In 1881 the Township Trustees, Samuel Kincaid, James A Porter and John Shotwell, recognized the urgency and acting in accord with legislation which authorized them to levy a tax for such purposes had land surveyed one mile East of the village limits and for $435.00 purchased five acres from Jacob A. and Edward W. Schwallie, heirs of one Jacob Schwallie. At the time the land was secured and laid out as cemetery lots it was proclaimed as being unsurpassed by any cemetry location in Southern Ohio. It was enclosed by an osage orange ("hedge apple") hedge and divided into 374 eight grave lots. Fronting on the Russellville-Winchester Turnpike the cemetry was given access drives on the East, North and West sides. Originally an East-West walkway or narrow drive was considered in what is now the fifth row of lots from the front entrance. The planned drive was never completed and that row of lots - Nos. 89 through 110 - was later divided and sold as half (four graves) instead of full eight grave lots. Therefore for each of the lots numbering 89 through 110 there is a corresponding one numbered as 89½, 110½, etc. At the time the cemetry was established no provision was made for a vault in which coffins could be retained until more clement weather permitted burial. Later such a need was realized and in 1899 under the trusteeship of W. A. Campbell, James Johnson and J. P. Kinnett a contract was let for the present structure. Prior to that some burials had already been made on the more or less centrally located lots selected for the vault site. The ones buried there were reinterred on nearby lots donated by the Trustees to the agreeing families.

There is a lack of certainty as to who became the first person to be buried in Linwood Cemetry. A reference in Beer's History of Brown County (1883) is ambiguous and confusing. It states, with direct reference to Linwood, that "the first interment in this township was that of the remains of John A. Kendle,

youngest son of Leroy J. and Mary J. Kendle, who was removed from the society of tender and loving parents and a large circle of accquaintances on the morning of his life". The inscription on the Kendle family marker (Lot No. 187) shows that John A. Kendle did not die until 1881 and when 27 years of age, not so youthful as the Beer's reference might indicate and certainly not the first burial in the township nor possibly the first in Linwood Cemetry. Due to the regrettable lack of markers on many graves it is now impossible to determine how soon after its establishment the cemetry was put to general use. Of the burials for which easily readable inscriptions are still to be found less than thirty testify to death dates prior to 1881 and some of those are known to be reinterments from other graveyards. Still others are believed to be only memorial references without actual burial of the person named. It was a common practice in earlier times that when a large family marker was purchased the names of all family members was inscribed on it even though all of them would not be buried at that site. It is known, however, that Lot No. 1 in the extreme Southwest corner of the original cemetry acerage was purchased by Mrs. Caroline Pearce Kirkpatrick and not used until the year 1906 when her husband, Thomas W. Kirkpatrick, was buried there. From that and other known burial fates it would appear that the lots were never disposed of in strict numerical sequence and that the West-Central sector opposite the vault may have for some years been the most preferred area.

Adhering to the customs of their European ancestors the early American settlers did - when possible - orient graves on an East-West axis with the head of the coffin placed to the West. This practice arose from an ancient Christian belief that on the great Day of Judgement the rising sun shining in their faces would awaken the faithful to eternal life. In Linwood this ancient custom is still honored although it is hardly likely that many today realize just why the graves are dug "East to West".

From time to time need demanded that more land be added to the original three hundred and seventy-four lots of the cemetry. In 1946 and again in 1972 such acerage was purchased by the Trustees. Details of all land purchases to date can be found in the copies of deeds included in this record. While the "new addition" of 1946 immediately West of the older area is fast filling up the latest addition to the North of the original section is only now being graded and prepared for use.

((NOTE: I DO know how to properly spell the word cemetery! The fact that is may show up in this record misspelled as cemetry is due to two facts. First: it is due to haste and carelessness. Second: some of the blame may be credited to early training by Miss Etta Miller. While she was a stickler for a thorough learning of spelling she did also have something of a fixation against pronouncing the word as "sem-a-TARY" instead of "sem-a-tree" and memories of that may have led to a spelling more phonetic than correct. Too much retyping would have been involved had every indivual error been corrected now. gw))

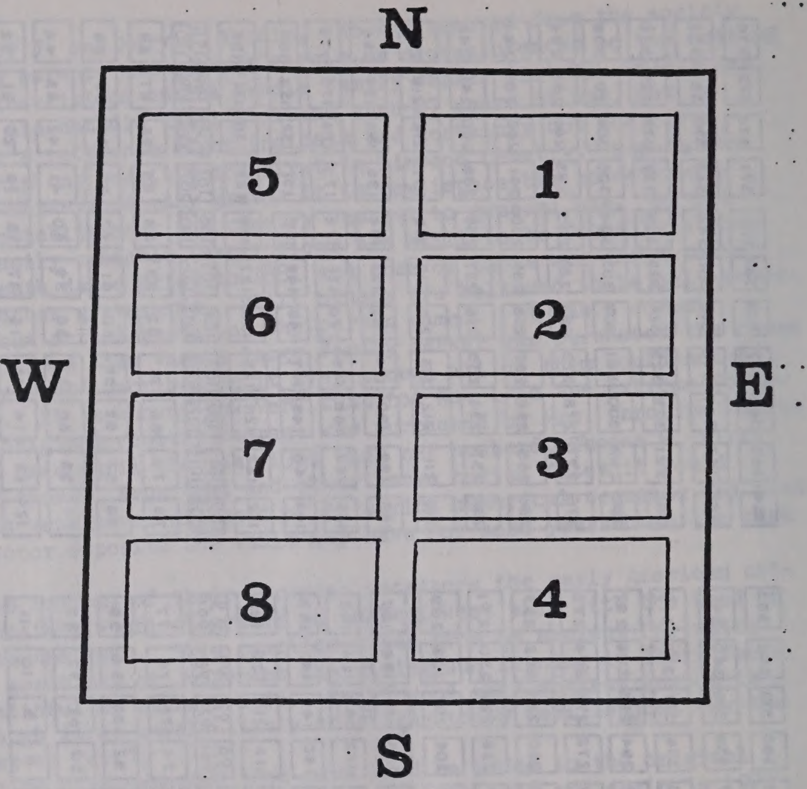
LINWOOD CEMETERY
JEFFERSON TOWNSHIP



No record has as yet been found to indicate that numbers were assigned to the grave spaces on each lot to designate specific locations for them. However, when the WPA project workers prepared a map in the 1930s they did employ a numbering system to better identify military burials. That system is illustrated above for what information and aid it may provide.

Linwood, like earlier cemeteries, did at one time follow a custom whereby the husband was usually buried in the outside, or corner, grave with the wife in the (supposedly) more protected location towards the interior of the lot. In more recent years this practice has not been strictly adhered to although it has not been entirely abandoned. Current custom allows for more personal preference that the strictly observed early traditions permitted.

This is a list of those buried in the eastern section of Shinkle's Ridge Cemetery which are no longer readable, broken, or not visible. These were listed in two earlier readings, 1959 by Nettie Prickett and family, also in 1963 by Mrs. Colletta and Mr. Puckett. Some are still standing but can't be read. Some are down and broken. Some are so covered with trees and vines as to be inaccessible in some plots, especially above ground stone crypts that have collapsed. Several graves appear never to have been marked.

To Be Used On River Road West of Higginsport.

NEW STREET

Expect To Let Contract Middle of Month, Either Concrete or Brick.

Mistaken impression of the cost of the bridge west of the Thomas Flower gardens has gained circulation, Resident Engineer A. P. Cooper stated Monday. This is on the Atlantic-Pacific three miles west of Higginsport, and in the section which is to be reconstructed this season, the contract to award being offered about the middle of this month. This bridge, a concrete one, was erected at a cost of approximately $15,000, instead of $40,000, a few years since as reported, Mr. Cooper says.

The survey made for this section carries a direct routing through the Ohio river bottom land used by Mr. Thomas in flower beds. Mr. Cooper states that estimates were made of cost of moving the bridge to the new route, but it has been decided to leave it at its present location, and construct a new bridge at the crossing of the run, a few hundred feet nearer the river.

Elsewhere in this issue will be found an advertisement calling for disinterment of what is known as the "Old Morris" cemetery, which is in the right of way for this improvement. This is one of the county's oldest burial grounds and contains many who were former well-known citizens. The bodies are to be reburied in Shinkle Ridge cemetery.

NOTICE

Whereas, the State of Ohio, by Director of the Department of Highways, finds it necessary to use a certain burial ground (The old Morris Cemetery) for Highway purpose.

Therefore, be it resolved: In accordance with Sec. 3465 G. C. that said cemetery be abandoned.

It is therefore ordered that the bodies buried in said Morris Cemetery be removed, and that all stones and markings likewise be removed.

It is further ordered that the Clerk of Lewis Township shall give notice to families and kindred of all deceased that can be found, and furthermore that such removal be made by friends or kindred of such deceased persons; and if such removal is not made by friends or kindred within thirty days from time of this notice, or by the 9th day of July, 1932, then the trustees will cause such bodies to be removed to Shinkle's Ridge Cemetery in Lewis Township.

Signed:
A. L. BEYERSDOFER, President;
HUBERT MARRIOTT,
Clerk of Lewis Township.

SHINKLES RIDGE CHURCH will be celebrating its 164th anniversary on Sunday, July 18, with two services honoring Elder Matthew Gardner, organizer of the congregation in 1818.

The public is reminded of the 164th anniversary of the Shinkle's Ridge Church on Sunday, July 18. Everyone is invited, and they are in hopes that all churches will participate.

The morning service will be under the direction of Pastor Robbie Dunsmore from England. This is very fitting since the ancestors of the founder of the Shinkle's Ridge Church, Elder Matthew Gardner, were from England. Following the morning service a covered dish dinner will be served at 12:45. Everyone is invited to come and bring a covered dish and table service. Drinks, tables, chairs, and refrigeration will be provided. Plenty of entertainment will be shared throughout the afternoon.

Pastor Jay Eastman and song leader, Dale Wilson, from the Ripley Church of Christ will have the evening service beginning at 7:30 p.m. Bro. Eastman will be using the text of Gardner's last sermon. After the evening service, refreshments will be served during a fellowship hour.

To reach Shinkle's Ridge Church from Georgetown, take 125 towards Hamersville, turn left at the top of the hill by Buttermilk Falls Golf Course, go ½ mile, turn left on Oak Grove Road; go 6 miles, turn right on 505. Go to top of hill, turn left onto Shinkle's Ridge Road, and the church is located 1½ miles on the left.

From Higginsport, take 505. Go 1 9/10 miles and turn left onto Shinkle's Ridge Road, as above.

Coming from Bethel, turn right onto 505, make sharp right turn off Rt. 505 onto Shinkle's Ridge Road, and proceed as above.

Shinkles Ridge Church Will Honor Founder Matthew Gardner

The Union Christian Chapel on Shinkles' Ridge Road is celebrating its 164th year on July 18. The church was organized by the Elder Matthew Gardner in 1818. It was the first organized Union Christian Church in Brown County.

Elder Gardner organized many other Christian Churches in Brown and Clermont Counties. He preached in many other areas such as Maysville, Millersburg, Covington, Cane Ridge and Lawrence Creek, Kentucky. He wrote subscriptions to aid in various churches being organized, namely Shinkles' Ridge, Pisgah, Russellville, Georgetown, Aberdeen, Mt. Pleasant, Jamestown and others.

There will be two services on July 18 to commemorate this historic occasion. At 11 a.m. the morning service will be held with Pastor Robbie Dunsmore, from England, delivering the message. He will share his message and ministry in music and song. Following the morning service, at 12:45, there will be a covered dish dinner. Everyone is invited to come and bring a covered dish and table service for the family.

In the evening there will be a song fest and praise service beginning at 7:30 p.m. Dale Wilson, an elder from the Ripley Church of Christ will be the song leader. The evening's message will be brought by Brother Jay Eastman, minister of the Ripley Church of Christ. He will be using as his text the same text Matthew Gardner used in his last known sermon, Jonah 3.

This is a chance for other Christian churches and many other churches to join in paying tribute to Elder Matthew Gardner. Each congregation can have their own morning worship service and then join in and share with the Shinkles' Ridge Church in the evening service.

George Vance is the present pastor of the church.

Old church at Shinkle's Ridge commemorates 156th anniversary

ND 8-22-1974

By Mrs. Eugene Jennings

All-day services were held at Shinkles Ridge Christian Union Church Sunday, August 11, to commemorate the one-hundred fifty-sixth anniversary of our church with morning services, basket dinner and afternoon services of special music and singing.

Richard (Dick) Stevenson, speaker from Washington Court House, Ohio, honored us with the history of our church - how Matthew Gardener came to Brown County in 1799 as a boy of 10 years with his father and family, accepted his Saviour and was baptized at a little church on West Fork Eagle Creek. He was ordained a minister in 1818 and came to the Shinkles Ridge settlement in Lewis Township that year (1818) and started the Christian Union Church there. It was the first organized religious society in Lewis Township. Christian B. Shinkle donated the land and John Trisler, great-great-grandfather of Mrs. Virginia Lipps built the first stone church in 1821. The church was rebuilt in brick in 1852 and rebuilt to the present structure in 1891.

Matthew Gardener organized 22 churches throughout Brown and Clermont Counties and was active in the ministry for 63 years. Although he passed on to his reward at 83 years at Bentonville, Ohio, his remains were laid at rest at Shinkles Ridge Cemetery beside the first church he organized.

Afternoon special music and singing was rendered by two separate groups of singers, a quartet from Felicity Christian Church - Mr. and Mrs. Harold Cousins, Mrs. Naomi Rudd and Rev. Dana Brooks. The second group of singers and musicians - Cindy Sons, Jo Ann Sons, Esther Sons, Debbie Dempsey, Herbert Sons, Dean Howell and Dave Wilson, all of Felicity. Congressional singing was also enjoyed.

* * *

Among those present to share the festivities were Mr. and Mrs. Richard Stevenson of Washington Court House, Ohio; Mr. and Mrs. Orville Linville and family of Cincinnati; Mr. and Mrs. Dwight Richey, Miamisburg, Ohio; Mrs. Eva Mills, West Carrollton, Ohio; Mr. and Mrs. Robert Reusser, Cincinnati; Brother and Mrs. Dana Brooks, Mrs. Loretta Murphy, Mr. and Mrs. Harold Cousins, Mrs. Naomi Rudd and Mr. and Mrs. Hurdes Hicks, all of Felicity; Mr. and Mrs. Dewey Richey, of Feesburg; Mrs. Elizabeth Bolender, of Georgetown; Mr. and Mrs. George Smith and family, of Hamersville; Mr. and Mrs. Tom Shinkle and family, Mrs. Frances Shinkle, Mr. and Mrs. James Cross and family, Mr. and Mrs. Earl Lipps and Mr. and Mrs. Hubert Waterfield, all of Shinkles Ridge; Mr. and Mrs. Dwight Marriott, Mrs. Ethel Crawford, Mrs. Melody Woodruff and children and Mrs. Edith Kautz, all of Higginsport; Mr. and Mrs. Eugene Jennings of Georgetown.

Everyone felt it was a great day of spiritual enjoyment and very befitting in memory of our heritage and ancestors.

Old gravestones uncovered at Shinkle's Ridge

Two gravestones on the Shinkle's Ridge Cemetery grave of James Cahill, Senior, Revolutionary soldier, having been buried for several years in the soil, have been raised, cleaned and repaired. The gravestone's inscriptions are now revealed. A five star medallion, bearing the figures of 1776, stands between the gravestones.

Sisters of lineal descent of James Cahill, Senior, Mildred Cahall Martin, a former member of Taliaferro Chapter, Daughters of the American Revolution, and Ada Cahall Walker with her husband Lowell W. Walker contracted the work of raising and repair to Georgetown Monument and Granite Company. A small tree was removed from growing in the grave. One gravestone is the original and the other, a U.S. government one, was obtained and erected, with ceremony, by members of Taliaferro Chapter DAR.

Shinkle's Ridge Cemetery is the site of graves of two other soldiers of the Revolutionary War.

The other day we were shown a sort of picture framed, in which was a birth record of Christian Shinkle, late of Brown County. It reads, when interpreted by Judge Biehn, about as follows: "Born unto John Phillip Shinkle, and his wife Barbara, a son, whose name is Christian, on the 18th day of April, 1785, at night, after 12 o'clock, and in the sign of the Lion. He was baptized on the 18th day of June, 1785, at the Swamp Church, in Heidelburg township, Lancaster Co., Pa. His god-father and god-mother were Christian Shinkle and his wife, Magdalena."

This son, Christian B. Shinkle, died in Brown County a few years since, aged 92 years. This frame containing these itemes and various scripture quotations, &c., has a margin in which are painted pictures of birds and animals, giving it a very ancient and quaint appearance. The picture was gotten up and presented to Mr. Shinkle by a school teacher who was quite an artist. —The picture is in the possession of Lucinda J. Mullen, Christian B. Shinkle's grand-daughter. The elder Shinkles were all Dunkards.

Family Custodians Of Cemetery Over Past 100 Years

Higginsport: —Members of the Shinkle family have been custodians and caretakers of the Shinkle Ridge Cemetery three miles north of here since 1800.

Christian Shinkle, who migrated here, bought 1,000 acres of land from a Revolutionary land grant for $2.00 an acre, then donated the land for the school, church and cemetery which has been under the family's care since.

The school was dismantled a year ago. The church, now used as a funeral chapel, was founded in 1821 by the Rev. Matthew Gardner, as the Union Christian Church.

Christian Shinkle was the first caretaker in 1800, to be followed by John B., then Michael, and then Walter. Charles Shinkle, 70, and his son, John, are the present caretakers. There still are about 15 Shinkle descendants who reside in this neighborhood.

SHINKLE RIDGE CEMETRY is in Lewis Township, not far from Georgetown on Shinkle Ridge Road west of Route 505 beside the Christian Union Church. It was admirably laid out with a commanding view of the surrounding area. When the tomb stone inscriptions were copied in 1963 these grounds were in excellent condition. Due to its great age the cemetry does have many unmarked graves and many others which have only field stones. The Christian Union Church was officially founded in 1821. Before that its earliest members had met in the woods as early as 1819 when the congregation was made up of 200 members. The first church building of stone was replaced in 1852 by one of brick which was rebuilt in 1891. In 1883 the membership numbered 122. The Ridge was named for Christian Shinkle (or Shenkle) an early pioneer who was a native of Germany and a Private in the Pennsylvania Troops during the Revolutionary War. He arrived in what is now Brown County about 1805 and purchased 1,000 acres of land in the Jacobs Survey. He died in 1833.

These pictures were found in the Clark Family File with no mention of who left them or took the pictures. Only the negatives were in an envelope. The Society had the negatives printed and found that they were of the Clark and Wells Cemetery in Lewis Twp. The inscriptions are printed in Vol. 1 of "Brown Co. Tombstone Inscriptions" by Colletta and Puckett. Pictures were taken in 1962. Cemetery in deplorable condition and inaccessible to get to. The creek and homestead could be the Clark's mill location.

MT CARMEL CEMETERY

The following inscriptions were copied by Linda Wilson and Patricia Donaldson, Aug. 19 and Oct 5, 1980. This cemetery is located 3/4 mile off Staten Rd or 1 mile off Fite Hauck Rd.(E.of Sardinia, Oh.) back upon a hill above Slabcamp Run. Kept mowed and cleaned, however over half of the stones were down and several deeply buried, a few broken but no disarray of stones. Estimate of 10 creekstone burials.

The following article was found in the "News Democrat, Jan 1948.

The mystery of the newly-dug grave in the old Mt. Carmel Cemetery near Sardinia, is still unsolved this week after the dirt had been removed by Brown County authorities in an attempt to solve the mystery.

Sheriff Dwight Harmon said he is sure "the grave has been dug into by some vandals" sometime between the middle of December and the first of January.

The men who dug out the grave found loose dirt all the way to the bottom, Harmon said.

An old casket, which was found near the newly-dug grave, matched two handles that were found inside the grave, the Sheriff said. A few leg bones were exhumed, but most of the skeleton was missing.

It was not known who had been buried in the grave as there was no marker, but the grave adjoined the Nivin lot. The last marker dated in the cemetery bears the date of 1876.

Andrew Nivin donated one acre of land for the site for a church and graveyard. The investigation is still being continued. Harmon said.

Further history on the cemetery from Linda Wilson claims that Cholera struck this area and the Mt. Carmel Church was used as a hospital. It was burned after the epidemic.

SARDINIA CEMETERY
OLDEST SECTION

This section was copied in March of 1964 and published in 1969 (32 years and 7months ago,) by Lillian Colletta and Leslie Puckett. In Oct. 1996 96, Doris von Storch and Kathryn Miller of the Brown County Genealogical Society recopied it.

Although, this section is closed for burials, it is still mowed, however, many stones are missing and broken. Some were buried in the ground and age caused the reading of the inscriptions impossible. More history of the cemetery at the end of this section.

SARDINIA CEMETERY
OLDEST SECTION

The history of the Sardinia Cemetery is taken from "THE BROWN CO. HISTORY" by W. H. Beers, Inc. - pg. 675 printed in 1883. Sardinia is located in Washington Township.

"It was the custom of the early settlers to inter the dead on their own land, in what became family burying grounds. Of these there are a number which dot the farms of Washington Township, some of which became public graveyards, as was the case of the one at Sardinia. This graveyard had its origin in the family burying ground of Amos Pettijohn, who, prior to 1829, deeded two acres of land, including or adjoining the family yard, to the Presbyterian Church, with the view of a church being erected thereon and a public place of burial formed. It is beautifully located on the summit of a hill, and many neat marble slabs and columns mark the tombs of loved ones. Many of the pioneers were here interred."

Also, on page 672, the history of the Presbyterian church is given."At the spring session of Washington Presbytery, held in April, 1812, a supplication was presented by White Oak Congregation, praying for one-fourth part of the ministerial labor of Rev. John Boyd, as a stated supply, which was granted. Some time in the summer of 1812, Thomas Pettijohn and John Moore were chosen to the office of Ruling Elders, and were ordained September 18 of that year.....At this session, Mrs. Deborah Pettijohn and Amos Pettijohn made application for admission to the church on examination. On the evening of the same day, four of Amos Pettijohn's children were baptized, namely, Hannah, Nancy, William and Rachel. Some time during the year before a session was formed, the following named children of Thomas and Ruth Pettijohn were baptized: Samuel, Boaz, Huldah, Ruth and Elias, also Francis Pettijohn's daughter Naomi.

Under date of November 1, 1811, in the records of White Oak Congregation, Presbyterian Church, there appears the following. The history mentions others that are buried in this section of the cemetery along with the family of Pettijohns: Isabel Bratton, Thomas Pettijohn and Ruth, his wife, David Graham, John Moore and Fanny, his wife, Joseph Bratton and Ann his wife and Francis Pettijohn."

The following tombstones no long are standing that was recorded in Vol. 2 of "TOMBSTONE INSCRIPTIONS OF BROWN COUNTY, OHIO" by Lillian Colletta and Leslie Puckett, 1969.—

ALEXANDER FAMILY CEMETERY located on Aubrey Rd. off Kenan which is off St. Rt. 68

The only marker that is left in the cemetery is Jane Alexander, wife of Robert age 44yrs, died July 12, 1817. We tried to do some research on this time of death as very few markers exist that would be this old. There is a Robert Alexander in the 1820 census, however there is a Robert in the household of Hugh Alexander in the 1850 census age 9. If by chance the reading is not right, it could be this Robert's wife. Further research or revisiting the cemetery. This was copied by James Burns of Perry Twp. December 1988.

ADDITIONS TO THE CRAMMER CEMETERY, the following were found in 1956 by members of the LDS Church and apparently gone when copied by Colletta and Puckett and Joe Huber.

BARNES, Sarah d. 1835

HAWKINS, Luanna, d 1861 age 4yrs dau of E. W. and E. A.

LIVEMORE, N--N d 1845 age 63.yrs

PRY, Mary d 1837 age 80yrs

This cemetery has been named and still carrys the names that has been given it over the years, as **ALLEN CEMETERY, HARRIS CEMETERY** and the name given above. Located 12814 St. Rt. 774, south of Mt. Orab, on the west side of Sterling Creek, on the Ben Houser property. Copied by Paul Young, Linda Wilson and Doris von Storch over a period of years

1850 - Hutchins Allen owned this land. r e

1868 - Hutchins Allen & wife, Kiziah (South) Allen sold 10 acres to their daughter, Charlotte (Allen) Carr. The cemetery was a part of the 10 acres.

1909 - Alva Neal (b. 16 Oct 1897) can remember going through the Cemetery with all of the other children of the area to play in Sterling Creek. He recalls that there were about 30 Tombstones standing at that time. Alva remembers that there were RUSSELL'S AND SAMS buried in the cemetery. He thought the name of the cemetery was RUSSELL.

Also, Alva Neal remembers that one of the houses just after PINCHEY SCHOOL had TOMBSTONES as steps, which he believed were taken from the old ALLEN CEM. He recalls that a Bob Creaghead (Sp?) and then Tom Martin owned the house with the Tombstone stairs.

19-- - DAVID HARRIS owned this land.

19-- - LANNIE REDMON owned this land.

1980's - JOHN & JOAN (REDMON) HOUSER bought this land.

1950-1980 - CHESTER KIEFFER was the Pike Twp. Trustee and he put a fence around the cemetery and named it HARRIS Cemetery, as he did not know it's name. He used the name of HARRIS, as David Harris was the owner at that time.

1960's - Florence (Allen) Pattison can remember that there were 20 to 30 Tombstones standing. Florence grw-up in the area.

Research done by Doris J. (Butts) von Storch, during 1984.
